Project Status:

On October 17, 2019, the City of Azusa entered into a Contract Agreement with Ferreira Construction Company for the Traffic Management System Project No. 66117C & 661171. The improvements at the intersection of Foothill Boulevard, Alostia Avenue, and Rockvale Avenue are incorporated into this large scale project.

Ferreira Construction Company was issued a Notice to Proceed to commence work on December 2, 2019 and is expected to complete the entire project within three hundred sixty five (365) calendar days. The project improvements funded by the MSRC grant are adjacent to the Azusa Pacific University (APU) campus. The realignment and intersection improvements are currently under construction.

We thank you for your patience and cooperation as we aim to beautify our community.

The City of Azusa is committed to reducing air pollution in the South Coast Region.
