II. Geographic Area

The City of Azusa is the 11th oldest city in Los Angeles County and the fifth oldest in the San Gabriel Valley. Incorporated in 1898, the City was built upon street systems and city blocks using a grid pattern. The City operates under the council/administration form of government. It is a full-service city except for its Fire Department which is contracted with Los Angeles County Fire Department. The City covers approximately 10 square miles and boasts a diverse population of over 49,000. The estimated median household income is over $57,000. The City is proud of its mix of small businesses, support services, manufacturers and large institutional employers such as Azusa Pacific University. The City is home to Azusa Pacific University (10,000 students) and 18 schools with 9,600 students in the Azusa Unified School District. Azusa is also home to the Home2Suites by Hilton and Lagunitas Brewing Company. Two Metro Gold Line Light Rail Stations have been operational since early March 2016 as part of the Foothill Gold Line from Pasadena to Azusa. The Azusa Downtown Station is located in the heart of City’s downtown, and the APU/Citrus College Station is adjacent to both Azusa Pacific University and Citrus College.

The City is strategically located off the 210 Freeway within a 30 minute drive to Pasadena, Orange County, the Inland Empire, and the Ontario International Airport. In addition to its convenient freeway access and being approximately 25 miles from Downtown Los Angeles, Azusa offers several major traffic corridors including the renowned U.S. Route 66 (Foothill Boulevard) which runs east to west through the community. California State Route 39 traverses the City in a north/south direction, and serves as a gateway to the newly designated San Gabriel Mountains National Monument to the north, and can be taken all the way to beaches to the south.
