**CITY OF AZUSA ANNUAL BUDGET RECOGNIZED AT NATIONAL LEVEL**  
***City's Fiscal Year 2022-2023 Budget Receives Distinguished Budget Presentation Award***

**AZUSA** – The City is pleased to announce it has been awarded the ‘Distinguished Budget Presentation Award’ by the Government Finance Officers Association of the United States and Canada (GFOA) for its Annual Budget for fiscal year 2022-2023. This award is the highest form of recognition in governmental budgeting, and marks the 2<sup>nd</sup> consecutive year the City has been honored with the award after being selected by a panel of independent reviewers.

In order to receive this distinction, an entity must satisfy nationally-recognized guidelines for effective budget presentation. These guidelines are designed to assess how well an entity’s budget serves as a policy document, financial plan, operations guide and communications device.

“This award represents a significant accomplishment for the City. It is a testament to the excellent work of our city staff who work diligently throughout the year to consistently meet our goals of ensuring financial health through public engagement and financial transparency.” said Azusa City Manager, Sergio Gonzalez.
