**CITY OF AZUSA ANNOUNCES COMMENCEMENT OF THE ARROW HIGHWAY  
STREET RESURFACING AND SAFETY IMPROVEMENTS PROJECT – PHASE I**  
*Upgrades will improve overall roadway safety and connectivity with neighboring cities*

**AZUSA** – In an ongoing effort to improve traffic flow and pedestrian safety, the City of Azusa is pleased to announce the commencement of a major roadway rehabilitation project along Arrow Highway. Phase 1 of the *Arrow Highway Street Resurfacing and Safety Improvements Project* will include the installation of raised median islands, various concrete improvements and ADA-compliant curb ramps, pavement resurfacing, asphalt concrete improvements to address surface drainage, street signage, roadway striping, and traffic signal modifications.

The Project is made possible in part by a grant through the Federal Highway Safety Improvement Program (HSIP), as well as combined funding from Senate Bill 1 (SB 1) – Road Maintenance and Rehabilitation, Measure M, the Azusa Light & Water Department, and the County of Los Angeles.

Arrow Highway serves as an essential connector between neighboring cities, major freeways and various regional destinations. The Project will span almost two miles from approximately Azusa Avenue to Citrus Avenue, and has been developed in coordination with the County of Los Angeles and the City of Covina. Toro Enterprises, Inc. has been retained for construction of the Project, which is scheduled to commence March 20<sup>th</sup> through end of May, 2023 (weather permitting). Phase 2 of the Project will include landscaping and irrigation within the same project boundaries, with construction commencing upon Phase 1 completion.

For additional information about this project, please contact the City’s Engineering Division at 626-812-5247 (Project Manager: Christina Curiel).
